

City of Versailles Storm Debris Collection Information

- Debris should be as close to the road as is possible and safe, but no more than 20 feet away
- Debris should be no more than 10 feet long. Collection workers are not permitted to cut debris. For this storm clean up only, 5" diameter limit is not in effect.
- Collection workers will not rake up small debris; this is the responsibility of the property owner
- Small debris (twigs, very small branches, leaves) will need to be put in heavy trash bags or trash cans and put out for regular trash pick up.
- Do not place logs on top of smaller brush
- Do not cover fire hydrants with brush
- Woodford County Recycling is accepting tree related debris at no charge through August 11th from Woodford County property owners
