

### **Addendum 3: City of Versailles Downtown Revitalization P3 RFP**

#### **Overview**

The Request for Proposals (“RFP”) issued on May 14, 2021 is clarified and modified as set forth in this Addendum. The original RFP Documents and previous Addenda remain in full force and effect, except as modified by this Addendum, which is hereby incorporated into the RFP. Respondents shall take these Addenda into consideration when preparing and submitting their Proposal.

#### **Modification**

The City of Versailles has accepted a bid to purchase the former Police Building, however, the City is still seeking Proposals for all remaining Components of the RFP in the remaining Zones of the Project Site. The City sincerely appreciates the efforts Respondents may have undertaken to incorporate the former Police Building into their Proposals. In the event Respondents have already prepared their Proposals, Respondents may submit their Proposals as is, to include that Building. The City will evaluate the remaining Components of the Design-Build Proposals separately, as described in the RFP. Respondents may mark confidential and proprietary information in their Proposals.
