Limb Chipper Notice

The CITY OF VERSAILLES provides limb chipper service to help residents keep their yards neat and free of limbs. However a few rules and exceptions must apply:

OUR CHIPPER ONLY CHIPS TREE BRANCHES; we are not able to chip **grass, weeds, ornamental grass, any bushes (including rose), root balls, leaves, vines, stumps, stalks, small sticks, or any other brush.** These items clog the chipper and should be put into heavy bags or trash cans for pickup by Rumpke on your regular trash pickup day.

- Please turn big ends of limbs toward road.
- We are unable to pick up limbs that are **tangled** or **pushed up** with a loader
- Please do not place limbs behind or near a **vehicle**.
- Please make sure that **no lumber, wire, or metal** objects are in or near your limb pile.
- Please cut wide branching limbs as straight as possible to allow limbs to feed through the chipper safely.
- Please limit limb sizes to **a maximum of 6” in diameter and seven feet in length.** Lay larger limbs to the side of smaller limbs.
- Please **do not** place firewood size pieces out with limbs; they hang up in the chipper.
- Contractor cut** limbs **will not** be picked up by the City; arrangements should be made with the contractor before limbs are cut.
- Limbs that are **hailed in from another location** will not be picked up by the City.
- Our leaf machines run only October-Early January.

Thank you for your cooperation. If you have any questions, please feel free to call our Public Works Office at 873-2245.
